

Information about website – Please read first

This website is designed to assist the general public, and specifically unit holders of the TEL Offshore Trust, in following the pleadings involved in two lawsuits. The website lists in reverse-chronological order the pleadings in the lawsuits. Information about the lawsuits and the claim procedures may also be posted.

This website is not intended as legal advice and should not be a substitute for legal advice.

The first lawsuit is styled *In Re: TEL Offshore Trust*, Cause # C-1-PB-14-001245, pending in the Probate Court Number One, Travis County, Texas. The general subject matter of this lawsuit was the Bank of New York Mellon, N.A.'s effort to modify and terminate the TEL Offshore Trust, of which trust the bank was the corporate trustee. The listed pleadings originally filed in this lawsuit are preceded by the letters TEL.

The second lawsuit is styled *In Re: TEL Offshore Trust Qualified Settlement Fund*, Cause # C-1-PB-17-000132, pending in the Probate Court Number One, Travis County, Texas. The general subject matter of this lawsuit is the disbursement of settlement funds to particular unit holders of the TEL Offshore Trust. The listed pleadings originally filed in this lawsuit are preceded by the letters QSF.

The pleadings are listed on this website just as an effort to allow interested persons to be informed of the lawsuits. Effort is made to ensure that all pleadings from the two lawsuits are provided but there is no guarantee of any kind that the list is complete. The County Clerk of Travis County maintains a website through which probate court cases pleadings may be viewed online, searchable either by case name or cause number. **Again, nothing about this website should be considered legal advice.**
