In the Probate Court No. 1

of

TEL Offshore Trust

Travis County, Texas

FILED FOR RECORD
2015 SEP 28 AM 9:18
DANA DEBEAUVOIR
COUNTY CLERK
TRAVIS COUNTY TEXAS

Order Directing the Method of Service of Documents

On this day the Court considered Attorney Ad Litem's Motion For Court to Direct Method of Service of Documents filed by Glenn M. Karisch ("Ad Litem"), who has been appointed attorney ad litem by this Court to represent the interests of the unit holders of TEL Offshore Trust (the "Trust") who were served by publication and did not answer or appear in this proceeding (collectively referred to as the "Defendants"). On consideration of the motion, the Court finds that Texas Rule of Civil Procedure 21a(a) gives the Court the discretion to direct the method of service of documents in this proceeding for persons who are not being served through the electronic filing system and that it is reasonable for the Court to direct the method of service because of the large number of unit holders of the Trust.

IT IS, THEREFORE, ORDERED that the Court directs the method of service on persons whose email addresses are not on file with the electronic filing manager in this proceeding as follows:

1. Sending a document on the persons named on the certificate of service form attached as Exhibit "A" in the manner described on that certificate constitutes sufficient service on all persons entitled to service.
2. Any person not receiving service in the above manner is deemed to have been served when the document is e-filed in this proceeding.

Signed September 28, 2015.
