Re: In re TEL Offshore Trust; Cause No. C-1-PB-14-001245 in the Probate Court No. 1 of
Travis County, Texas

Dear Georgia:

The purpose of this letter is to coordinate the items to be included in service of documents today in the above referenced proceeding. Attached are the following documents I e-filed today:

1. Attorney Ad Litem's First Amended Answer and Counterclaim for Order to Sell Royalty Interests and for Accounting.
2. Attorney Ad Litem's Motion to Sever.
3. Attorney Ad Litem's Designation of Expert.
4. Attorney Ad Litem's November 2015 Fee Application.

Please assure that these documents are served on the other parties in accordance with the Court's Order Directing the Method of Service of Documents dated September 28, 2015.

Also, please include copies of the following Court orders in documents being served:

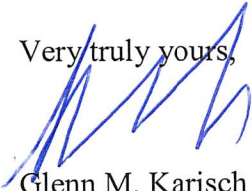

1. Order Directing Method of Service of Documents dated September 28, 2015.
2. Order Authorizing Attorney Ad Litem to Retain Consulting Expert and Ordering Payment from Trust dated September 28, 2015.
3. Amended Order Granting Motion for Entry of Trial Date dated October 5, 2015.

Are you separately including a notice of trial, or does providing a copy of the amended order suffice?
