ORDER MODIFYING DISTRIBUTION PLAN

On this day, the Court on its own motion found that certain modifications to the Court approved Distribution Plan were equitable and appropriate.

IT IS THEREFORE ORDERED that the Trustee of the TEL Offshore Trust Qualified Settlement Fund shall provide, by certified mail, return receipt requested letter, individual notice to each Objecting Beneficial Owner who submitted a Claim Form rejected by the Trustee, which letter shall state the defect causing the Trustee to reject the claim, and ORDERED that each such Objecting Beneficial Owner shall have until January 22, 2018, to submit additional materials to the Trustee to correct the defects. Thereafter a Court hearing will be held on those Objecting Beneficial Owners' claims still deemed defective by the Trustee.

IT IS FURTHER ORDERED that the Trustee of the TEL Offshore Trust Qualified Settlement Fund shall treat any claims he received after the plan deadline of October 24, 2017, but before December 1, 2017, as timely received, and if the Trustee rejects such a claim form from an Objecting Beneficial Owner because he considers it to be defective, the Trustee shall notify the claimant as provided in the preceding paragraph, and that the claimant shall have the opportunity to cure the defect as described in the preceding paragraph.
